LAVELLE LAW, LTD.

Starting a healthcare business presents unique legal, business, regulatory, and operational issues. While your skills and experiences as an accomplished physician, RN, OT, PT or other healthcare practitioner uniquely qualify you to take this entrepreneurial step, you may not have the equivalent business acumen to properly start and manage a successful business without professional guidance. Lavelle Law, Ltd. has a strong history of representing individuals in the creation of corporations and other business entities and is one of the few law firms with a specific Health Law Practice Group.
