

OUR PLEDGE

- To respond promptly to any call or message
- To vigorously advocate on your behalf
- To protect the rights of you and family members
- To ensure compliance of all labor requirements for your business
- To charge fees that are fair and reasonable

The attorneys at Lavelle Law have law degrees from some of the finest law schools in the country. But, like many of you, we have family members who have come to this country seeking a better life for their families. We understand the very personal nature of immigration cases and promise to use every resource at our disposal to protect the future of your family, your business and your dreams. Please call our Immigration Law practice group to begin working on your case immediately.

Immigration matters impact individuals, families and business owners on many levels. At the heart of any immigration issue is freedom, and the opportunity to provide a better life for you, and your family. Lavelle Law attorneys and staff will advocate vigorously on your behalf to pursue the promise of a better future.

Hablamos Español.
We also speak Hindi, Arabic, and Polish.

Matters of immigration reach across multiple areas of the law and in an environment that experiences constant change. At Lavelle Law, we are well versed not only in the very detailed requirements of immigration cases, but are also acutely aware of the deep personal ramifications that these cases present. Our attorneys stand ready to address your needs in matters involving family-based immigration, employment-based immigration, asylum, pursuing citizenship, or providing criminal defense for a non-citizen with exceptional care. In addition, we provide guidance to corporations looking to comply with documentation, hiring practices, and payroll systems requirements. If you or a loved one need personal assistance, or if your business requires counsel on matters of immigration, Lavelle Law attorneys will be a trusted source of legal support.

"Born in other countries, yet believing you could be happy in this, our laws acknowledge, as they should do, your right to join us in society, conforming, as I doubt not you will do, to our established rules. That these rules shall be as equal as prudential considerations will admit, will certainly be the aim of our legislatures, general and particular."

Thomas Jefferson
